August Meeting Minutes

There was no August meeting.

We need someone to bring refreshments for the September meeting.

September is the start of the KCCA officer nominations. Please think about running for an office. The duties of each officer is in the by-laws. If you do not have a copy of the by-laws, please contact any of the officers.

If you have changed your home address, phone number or e-mail address or if you do not see your birthday or anniversary listed please let Brenda or any of the officers know. We strive to keep you up-to-date with the club news.

If you attend an event, we would like for you to write an article for the newsletter. Just send it to Brenda at brenda52072@gmail.com.

Dean and Kay Owens will host the September dinner cruise to Harold's BBQ in Freeman, MO.

Sixth Annual Vettes On The Plains

The VOTP Committee would like to thank all of the members who participated in the show on August 12th. We particularly want to thank those who helped with registration, parking, judging, the 50/50 Pot and the silent auction. Without your help and support, this event would not be possible.

A total of 102 cars were registered for the event. Leland will present a full accounting of the show's financials at the September meeting, but preliminary numbers indicate a nice tidy profit was achieved.

- 19-20 ROUTE 66 TRIP TO OKLAHOMA CITY TO PROCURE. Bill and Maude Thorne are planning a trip to a Cancer Center in Oklahoma City called Procure. Below is the information re: the trip being driving down Route 66. "I have been in Oklahoma City all summer at a

cancer center called Procure. Every Wednesday they have a graduation luncheon. While I've been here, I see lots of little bald headed kids here in treatment. My doctor suggested they would love to see our corvettes. I am planning a trip that we are going to take and anyone else in the club is invited if they want to go. We are going to drive Route 66 in Oklahoma on Sept. 19th and be in Oklahoma City on the 20th for the luncheon. They are going to set aside an area in the parking lot and after the lunch all will be invited to take pictures with the cars. The lawyers prohibit us taking them for a drive. I am going to set up a location probably in Joplin to meet and have a few stops along Route 66. The Route66 drive is about 260 miles. We will stay at a Holiday Inn Express that is close to Procure and they are going to give us good rates. There are some cool places to eat right in that area. I will not be back in town until mid July. If anyone wants to go, they can let us know so that I have an idea to tell Procure how many are coming."
