Karen Renfrow or Bryce Burklow  
270-467-8804 or 270-777-4506

**April 27-29, 2017**

Kickoff of the NCM on site event season – Bash traditionally marks the rollout of the next model year Corvette; the place where you can see them up close and in detail. Bash 2017 will provide enthusiasts the chance to see the new 2018 Corvette Stingray up close as well as getting all the latest information about the all new 7th Generation Corvette. Seminars will feature speakers discussing ‘What’s new in the 2018 model year’, the award winning body structure, as well as using your 7th

generation navigation system. As in past years there will be a large contingent of GM engineers and designers from Warren Tech Center, and the Bowling Green Assembly Plant ready to answer your every question. Back this year will be our Corvette Racing team with Doug Fehan giving a seminar. Also back to Bash is our LT4 Engine building demonstration by BGAP Rob Nichols and Brian Lee.

Returning activities include a seminar and classroom sessions by Corvette Certified Technician Paul Koerner. Enjoy guided road tours, two celebrity choice car shows, the Ladies’ Oasis, and the expanded Garage Party with women of the GM Corvette Team. The ladies will cover all aspects of Corvettes including maintenance, engineering and even high performance driving (ladies only). Some returning activities include Golf with GM Team.

On-line registration closes at 8:00am central time on Tuesday, April 18. All activities are open to Event Registrants only. On-line registrants will receive a hardcard credential, lanyard, event pin and dash plaque. Lifetime registration is \$15pp, member registration is \$20pp and non-member registration is \$30pp. All cancellations will be charged a \$5 processing fee.

**All cancellations will be charged a \$5 processing fee per person**

**No refunds or cancellations after Advance Registration closes**
